MANAGEMENT INFORMATION CIRCULAR

containing information as at November 20, 2023 unless otherwise noted

SOLICITATION OF PROXIES

Solicitation of Proxies by Management

This Management Information Circular (“Circular”) is being furnished in connection with the solicitation of proxies by the management of GGL Resources Corp. (the “Company”) for use at the Annual General Meeting of the shareholders of the Company to be held on Thursday, the 28th day of December 2023 (the “Meeting”) at the time and place and for the purposes set forth in the Notice of Annual General Meeting (“Notice”) and any adjournment or postponement thereof.

Cost and Manner of Solicitation

While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone, facsimile or electronically by the directors and regular employees of the Company or other proxy solicitation services. In accordance with National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made to forward proxy solicitation materials to the beneficial owners of common shares of the Company (the “Common shares”). All costs of solicitation will be borne by the Company.

WE STRONGLY ENCOURAGE ALL SHAREHOLDERS TO VOTE BY PROXY OR BY VOTING INSTRUCTION FORM.

All proxies and voting instruction forms, to be valid, must be received by Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, at least forty-eight (48) hours, excluding Saturdays, Sundays and holidays, before the Meeting or any adjournment thereof. Late proxies or voting instruction forms may be accepted or rejected by the Chairman of the Meeting in his discretion, and the Chairman is under no obligation to accept or reject any particular late proxy.

APPOINTMENT AND REVOCATION OF PROXIES

Appointment of Proxy

A shareholder entitled to vote at the Meeting may, by means of a properly executed and deposited proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be shareholders of the Company to attend and act at the Meeting for the shareholder and on the shareholder’s behalf.

The individuals named in the enclosed form of proxy are Directors of the Company (the “**Management Designees**”). **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent him or her at the Meeting has the right to do so, either by inserting such person’s name in the blank space provided in the form of proxy or by completing another proper form of proxy.** A proxy will not be valid unless the completed, dated and signed form of proxy is deposited with Computershare Investor Services Inc., not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment or postponement thereof. Proxies may be sent to Computershare Investor Services Inc. using one of the following methods:

**BY MAIL OR

8th Floor, 100 University Avenue
Toronto, Ontario M5J 2Y1

**OR IF YOU HAVE A CONTROL NUMBER, A HOLDER ACCOUNT NUMBER

ALTERNATIVELY ABLE TO VOTE:**

BY TELEPHONE: 1-866-732-8683 for registered holders in Canada,
see front of the proxy form for all others

BY INTERNET: www.investorvote.com

Revocation of Proxy

A shareholder who has given a proxy may revoke it by an instrument in writing duly executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, Tupper Jonsson & Yeadon, #1710, 1177 West Hastings Street, Vancouver, British Columbia, V6E 2L3, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned or postponed, any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

In addition, a proxy may be revoked by a shareholder executing another form of proxy bearing a later date and depositing the same at the offices of Computershare Investor Services Inc. within the time period and in the manner set out under the heading “**Appointment of Proxy**” above or by the shareholder personally attending the Meeting, withdrawing his or her proxy and voting the Common shares.

Voting of Proxies and Exercise of Discretion by Proxyholders

Voting at the Meeting will be by a show of hands, each registered Shareholder and each proxyholder (representing a registered or unregistered Shareholder) having one vote, unless a poll is required or requested, whereupon each such Shareholder and proxyholder is entitled to one vote for each Common Share held or represented, respectively. Each Shareholder may instruct their proxyholder how to vote their Common Shares by completing the blanks on the proxy. All Common Shares represented at the Meeting by a properly completed, executed and deposited proxy will be voted or withheld from voting when a poll is required or requested and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Common shares represented by the proxy will be voted or withheld from voting in accordance with the specification so made.

IF A CHOICE WITH RESPECT TO ANY MATTER IS NOT CLEARLY SPECIFIED IN THE PROXY, THE MANAGEMENT DESIGNEES WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY FOR EACH MATTER.

The form of proxy when properly completed, executed and deposited and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the accompanying Notice, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the Management Designees to vote in accordance with their best judgment on such matters or business. At the date of this Circular, management knows of no such amendment, variation or other matter which may be presented to the Meeting.

Advice to Beneficial Holders of Common Shares

Only registered holders of Common shares of the Company or the persons they validly appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**”) (including banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) that the Non-Registered Holder deals with in respect of the Common shares, or

(ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant. Shareholders who do not hold their Common shares in their own name (referred to herein as “Beneficial Shareholders”) should note that only registered shareholders may vote at the Meeting. Common shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the brokers’ clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders. However, its purpose is limited to instructing the registered shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common shares must be communicated to Broadridge) well in advance of the Meeting in order to have the Common shares voted.**

Distribution to NOBOs: In accordance with the requirements of the Canadian Securities Administrators and *National Instrument 54-101 – Communication with Beneficial Owners of Securities of Reporting Issuers* (“NI 54-101”), the Company will have caused its agent to distribute copies of the Notice and this Circular (collectively, the “**meeting materials**”) as well as a Voting Instruction Form directly to those Non-Registered Holders who have provided instructions to an Intermediary that such Non-Registered Holder does not object to the Intermediary disclosing ownership information about the beneficial owner (“**Non-Objecting Beneficial Owner**” or “**NOBO**”).

These meeting materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, have been obtained in accordance with NI 54-101 from intermediaries via their transfer agent. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of meeting materials directly (not via Broadridge) to such NOBOs.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for Voting Instruction Form enclosed with mailings to NOBOs.

The meeting materials distributed by the Company’s agent to NOBOs include a Voting Instruction Form. Please carefully review the instructions on the Voting Instruction Form for completion and deposit.

Distribution to OBOs: In addition, the Company will have caused its agent to deliver copies of the meeting materials to the clearing agencies and Intermediaries for onward distribution to those Non-Registered Holders who have provided instructions to an Intermediary that the beneficial owner objects to the Intermediary disclosing ownership information about the beneficial owner (“**Objecting Beneficial Owner**” or “**OBO**”).

Intermediaries are required to forward the meeting materials to OBOs unless an OBO has waived his or her right to receive them. Generally, those OBOs who have not waived the right to receive meeting materials can expect to be contacted by Broadridge or their broker or their broker’s agents as set out above for the NOBOs.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common shares registered in the name of his/her broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Common shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common shares as proxyholder for the registered shareholder should strike out the names of the persons named in the form and insert the Non-Registered Holder's name in the blank space provided on the proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker. Non-Registered Holders should carefully follow the instructions, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITORS

National Instrument 52-110 *Audit Committees* (“NI 52-110”) requires the Company, as a venture issuer, to disclose annually in its information circular certain information concerning the constitution of its audit committee and its relationship with its independent auditors.

The Company’s Audit Committee is governed by an Audit Committee Charter, a copy of which is available online at www.sedarplus.ca and attached as Schedule “A” to the Company’s Management Information Circular dated March 23, 2005.

At November 20, 2023, the Company’s Audit Committee is comprised of three directors: Ms. Wallinger (Chair); Mr. Barclay; and Mr. Turner. As defined in NI 52-110, all three directors are “independent”. All three of the directors are financially literate. Each Audit Committee member possesses education or experience that is relevant for the performance of their responsibilities as Audit Committee members as follows:

- William A. Barclay

Mr. Barclay is a Chartered Professional Accountant, CA and a retired tax partner from an international CPA firm. He continues to work as a financial and tax consultant to a variety of long-time clients. Mr. Barclay has been a consultant to the Company for a number of years.

- Elizabeth F. Wallinger

Ms. Wallinger is a Chartered Professional Accountant, has a B.Sc. in Earth and Ocean Sciences from the University of British Columbia and an MBA from Thompson Rivers University. - Matthew A. T. Turner

Mr. Turner has a BSc. in Earth and Ocean Sciences from the University of British Columbia and has held the role of CEO of Rockhaven Resources Ltd., a publicly traded company on the TSX Venture Exchange, since 2008.

Since December 1, 2017, the Company’s Board has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Since the effective date of NI 52-110, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditors, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditors in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

The Audit Committee must pre-approve any engagement of the external auditors for any non-audit services to the Company in accordance with applicable law and policies and procedures to be approved by the Board. The engagement of non-audit services will be considered by the Company’s Board on a case by case basis.

In the following table, “**Audit Fees**” are fees billed by the Company’s external auditors for services provided in auditing the Company’s annual financial statements for the subject year. “**Audit-Related Fees**” are fees not included in audit fees that are billed by the auditors for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “**Tax Fees**” are fees billed by the auditors for professional services rendered for tax compliance, tax advice and tax planning. “**All Other Fees**” are fees billed by the auditors for products and services not included in the foregoing categories.

The fees paid by the Company to its auditors in each of the 2021 and 2022 fiscal years, by category, are as follows:

<u>Financial Year Ending</u>	<u>Audit Fees</u>	<u>Audit Related Fees⁽¹⁾</u>	<u>Tax Fees⁽²⁾</u>	<u>All Other Fees</u>
November 30, 2022	\$27,000	\$329	NIL	N/A
November 30, 2021	\$21,500	\$262	NIL	N/A

Note:

- (1) Canadian Public Accountability Board (“CPAB”) fees charged at 1.22% of last year’s audit fees. CPAB reviews participating audit firms to verify their processes and procedures.
- (2) The 2021 and 2022 annual corporate tax returns were prepared by the Company’s CFO.

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a Venture Issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

ANNUAL RATIFICATION OF STOCK OPTION PLAN

On September 9, 2022 a new stock option plan (the "Plan") was adopted by the Board to specifically address the TSXV's current Policies for Stock Option Plans. Under the Plan, based on the issued capital of the Company as of November 30, 2022, the Company would have available for the grant of stock options up to 6,185,747 Common shares, being 10% of the issued capital of the Company. This number increases as the issued capital of the Company increases. Of these 6,185,747 Common shares, 3,070,000 Common shares are reserved for outstanding stock options as at November 30, 2022. The Plan was accepted for filing by the TSXV on April 5, 2023. The Plan was approved by the shareholders of the Company at the December 7, 2022 annual general and special meeting. The policies of the TSXV require annual ratification of "rolling" stock option plans by the shareholders of the Company.

Purpose of the Plan

The purpose of the Plan is to provide directors, officers, employees, consultants and service providers of the Company with a proprietary interest in the Company through the grant of options to purchase Common shares of the Company. By the grant of such options, the Company intends to increase the interest in the Company's welfare of those directors, officers, employees, consultants and service providers who share the responsibility for the management, growth and protection of the business of the Company, to furnish an incentive to such persons to continue their services for the Company and to provide a means through and by which the Company may attract capable persons to join the Board and management of the Company and to be employed by the Company.

General Description/Exchange Policies

The Plan is administered by the Compensation Committee (the "Committee") appointed for such purpose by the Board.

The following is a brief description of the principal terms of the Plan, which description is qualified in its entirety by the terms of the Plan:

1. the maximum number of shares in respect of which options may be outstanding under the Plan at any given time is equivalent to 10% of the issued and outstanding shares of the Company at that time, less the number of shares, if any, subject to existing options;
2. following termination of an optionee's employment, directorship, consulting agreement or other qualified position, the optionee's option shall terminate upon the expiry of such period of time following termination, not to exceed 90 days (30 days if the optionee is engaged in providing investor relations services), as has been determined by the directors;
3. an option granted under the Plan will terminate one year following the death of the optionee. These provisions do not have the effect of extending the term of an option which would have expired earlier in accordance with its terms, and do not apply to any portion of an option which had not vested at the time of death or other termination;
4. as long as required by Exchange policy, no one individual may receive options on more than 5% of the issued and outstanding shares of the Company (the "Outstanding Shares") in any 12 month period, no one consultant may receive options on more than 2% of the Outstanding Shares in any 12 month period, and options granted to persons employed to provide investor relations services may not exceed, in the aggregate, 2% of the Outstanding Shares in any 12 month period;
5. options may not be granted at prices that are less than the Discounted Market Price as defined in the Exchange's policy which, subject to certain exceptions, generally means the most recent closing price of the Company's shares on the Exchange, less a discount of from 15% to 25%, depending on the trading value of the Company's shares;
6. for any option which would otherwise expire during the period during which the Optionee was prohibited from trading in the Company's securities (a "Blackout Period"), the term of such option shall be extended such that the option shall expire at the close of business on the tenth business day subsequent to the date the Blackout Period has been terminated;
7. all options shall be non-assignable and non-transferable except as between an optionee and a wholly owned personal corporation, with the consent of the TSX Venture Exchange;
8. a "disinterested shareholder vote" is required to approve the decrease in the exercise price of stock options previously granted to insiders prior to exercise of such repriced stock options, or to approve the extension to the expiry date of any option granted to insiders; and

9. in the event of a reorganization of the Company or the amalgamation, merger or consolidation of the shares of the Company, the Board of Directors shall make such appropriate provisions for the protection of the rights of the optionee as it may deem advisable.

Shareholder Approval

The shareholders of the Company will be asked to consider and, if thought appropriate, to approve and adopt an ordinary resolution in substantially the following form:

“RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. the 10% rolling Stock Option Plan adopted by the Company on September 9, 2022, be and is hereby ratified, confirmed and approved;

3. the granting of stock options to insiders of the Company under the Stock Option Plan, be and it is hereby approved; and

Stock Option Plan

The Company has no other incentive plans other than its stock option plan (“Stock Option Plan” or the “Plan”).

On January 18, 2006, the Board adopted a “rolling” stock option plan under which there is a fixed maximum percentage available for the grant of stock options equal to 10% of the issued and outstanding Common shares in the capital of the Company at the time of any grant of the stock option. This Plan was amended by the Board on October 17, 2013. On September 9, 2022 a new stock option plan was adopted by the Board to specifically address the TSXV’s current Policies for Stock Option Plans. The terms of the new Plan are similar to the amended Plan. Under the new Plan, based on the issued capital of the Company as of November 30, 2022, the Company would have available for the grant of stock options up to 6,185,747 Common shares, being 10% of the issued capital of the Company. This number increases as the issued capital of the Company increases. Of these 6,185,747 Common shares, 3,070,000 Common shares are reserved for outstanding stock options as at November 30, 2022. The original

Plan, amendment and new Plan were accepted for filing by the TSXV on February 10, 2006, October 23, 2013 and April 5, 2023, respectively. These Plans were approved by the shareholders of the Company at the 2006 and 2022 annual general meetings and ratified by the shareholders at the 2007, 2008, 2009, 2010, 2011, 2013, 2014, 2016, 2018 (two), 2019, 2020, and 2021 annual and special general meetings. The policies of the TSXV require annual ratification of “rolling” stock option plans by the shareholders of the Company. Accordingly, the Company will be seeking the approval of its shareholders to the ratification of the Stock Option Plan at its next annual general meeting of shareholders.

Purpose of the Plan

The purpose of the Plan is to provide directors, officers, employees, consultants and service providers of the Company and its subsidiaries with a proprietary interest in the Company through the grant of options to purchase Common shares of the Company. By the grant of such options, the Company intends to increase the interest in the Company’s welfare of those directors, officers, employees, consultants and service providers who share the responsibility for the management, growth and protection of the business of the Company, to furnish an incentive to such persons to continue their services for the Company and to provide a means through and by which the Company may attract capable persons to join the Board and management of the Company and to be employed by the Company.

General Description/Exchange Policies

The Plan is administered by the Compensation Committee (the “**Committee**”) appointed for such purpose by the Board.

The following is a brief description of the material terms of the Plan, which description is qualified in its entirety by the terms of the Plan:

- (1) The maximum number of shares in respect of which options may be outstanding under the Plan at any given time is equivalent to 10% of the issued and outstanding shares of the Company at that time, less the number of shares, if any, subject to existing options.
- (2) The options may not be granted at prices that are less than the Discounted Market Price as defined in Exchange policy which, subject to certain exceptions, generally means the most recent closing price of the Company’s shares on the Exchange, less a discount of from 15% to 25%, depending on the trading value of the Company’s shares.
- (3) As long as required by Exchange policy, no one individual may receive options on more than 5% of the issued and outstanding shares of the Company (the “Outstanding Shares”) in any 12 month period, no one consultant may receive options on more than 2% of the Outstanding Shares in any 12 month period, and options granted to persons employed to provide investor relations services may not exceed, in the aggregate, 2% of the Outstanding Shares in any 12 month period.
- (4) The Expiry Date for each Option shall be set by the Board at the time of issue of the Option and shall not be more than ten (10) years after the Grant Date, subject to a Black-Out Period. If the Expiry Date in respect of any Option occurs during a Black-Out Period imposed by the Company, the Expiry Date of the Option shall be automatically extended to the date that is ten (10) trading days following the end of such Black-Out Period.
- (5) Following termination of an optionee’s employment, directorship, consulting agreement or other qualified position, the optionee’s option shall terminate upon the expiry of such period of time

following termination, not to exceed 90 days (30 days if the optionee is engaged in providing investor relations services), as has been determined by the directors.

- (6) An option granted under the Plan will terminate one year following the death of the optionee. These provisions do not have the effect of extending the term of an option which would have expired earlier in accordance with its terms, and do not apply to any portion of an option which had not vested at the time of death or other termination.
- (7) All options shall be non-assignable and non-transferable except as between an optionee and a wholly owned personal corporation, with the consent of the TSX Venture Exchange.
- (8) A “disinterested shareholder vote” is required to approve the decrease in the exercise price of stock options previously granted to insiders prior to exercise of such repriced stock options, or to approve the extension to the expiry date of any option granted to insiders.

At the date of this Form, the Company had 79,857,475 common shares issued and outstanding so that a maximum of 7,985,747 common shares would be available for issuance pursuant to the stock options granted under the Stock Option Plan. Currently, there are 5,515,000 stock options outstanding leaving 2,470,747 common shares available for the grant of stock options under the Stock Option Plan.

The Board determines Named Executive Officer compensation at the recommendation of the Compensation Committee. The Compensation Committee consists of Matthew A.T. Turner (Chair), Elizabeth F. Wallinger and William A. Barclay, all three of whom are independent directors.

In setting salaries, the directors do not rely solely upon benchmarking, mathematical formulas or hierarchy. Salary levels for NEOs are based on the executive’s qualifications, experience and responsibilities within the Company, and are intended to be competitive with salaries paid to others in comparable positions within the same industry. In reviewing comparative data, the directors do not engage in benchmarking for the purpose of establishing compensation levels relative to any predetermined level and do not compare the Company’s compensation to a specific peer group of companies.

The Company is an exploration and development stage mining company and will not be generating revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability and earnings per share, are not considered by the directors to be relevant in the evaluation of NEO performance.

For the year ended November 30, 2022, the NEOs that are owed compensation for their services are a) Mr. Martino, CFO; b) Mr. Kelsch, president, director and COO; and c) Mr. Eaton, CEO. \$11,500 is accrued as owing to DBM CPA, a firm in which Mr. Martino is a principal, for 2022 accounting and tax services. \$1,654 is accrued as owing to Dave Kelsch Consulting Ltd., a company wholly owned by Mr. Kelsch, for Mr. Kelsch’s consulting and technical and professional fees. \$90,181 is accrued as owing to Archer, Cathro & Associates (1981) Limited, a company in which Mr. Eaton owned a minority interest, for office space, administrative support, and geological services.

In addition, the Company provides a long-term incentive by granting stock options to executive officers in accordance with the policies of the TSXV. The objective of granting options is to encourage executive officers to

acquire an ownership interest in the Company over a period of time, which acts as a financial incentive for such executive officers to consider the long-term interests of the Company and its shareholders.

When determining the number of stock options to be granted to an executive officer, the Compensation Committee takes into account the number and terms of outstanding stock options and vesting provisions when determining whether or not new stock option grants should be made to such executive officer. See “**Stock Option Plan**” for a description of the plan.

The Company does not grant share-based awards and does not have a non-equity incentive plan in place.

Director Compensation

The Board determines director compensation for the Company from time to time based on recommendations of the Compensation Committee. None of the directors receives any monetary compensation from the Company for serving on any committee of the Company or for attending any committee or Board meetings. Directors are entitled to receive stock options based on the level of participation of each director in various committees of the Company.

See “**Stock Option Plan**” for a description of the plan.
